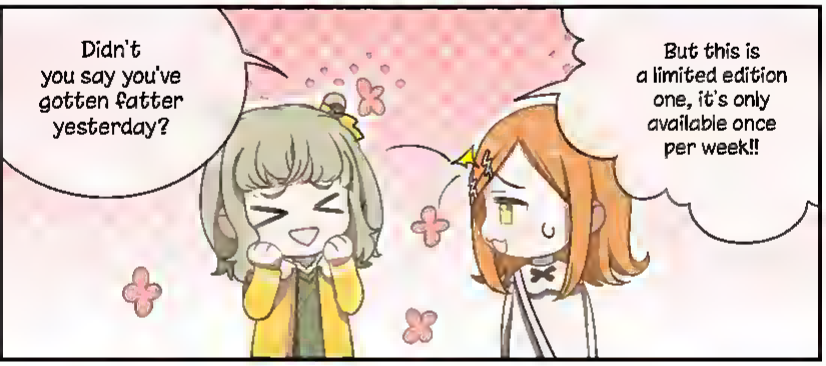
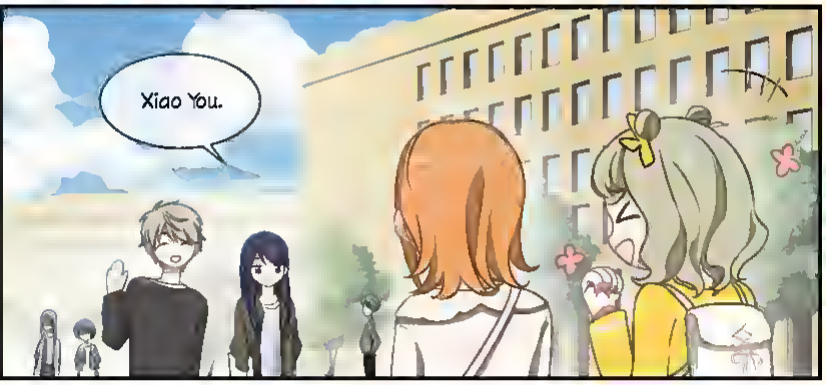
YO YO STUDIO

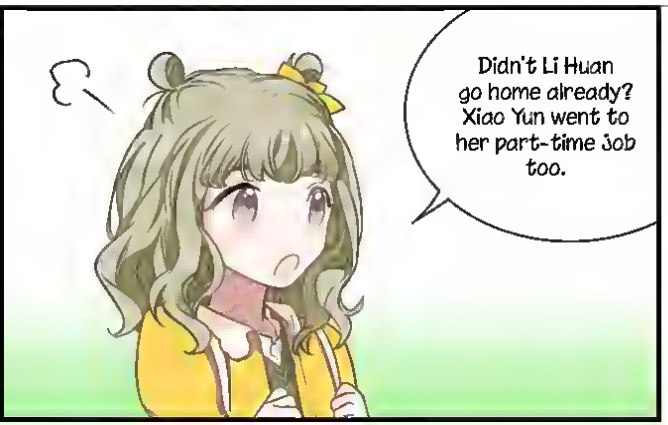
STAGE 6



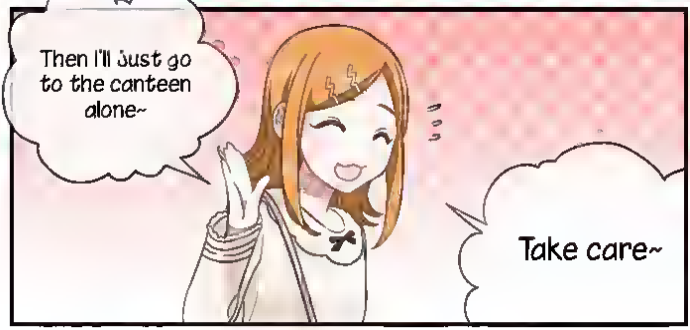


Xiao You, let's go out and eat,
There's a wealthy person who's gonna treat us, better get the most out of it.
Can Li Li come along?
We agreed to eat together.
Nevermind, I'll just go and find Li Huan and the others~
Xiao You, let's go out next time.

大角虫漫画

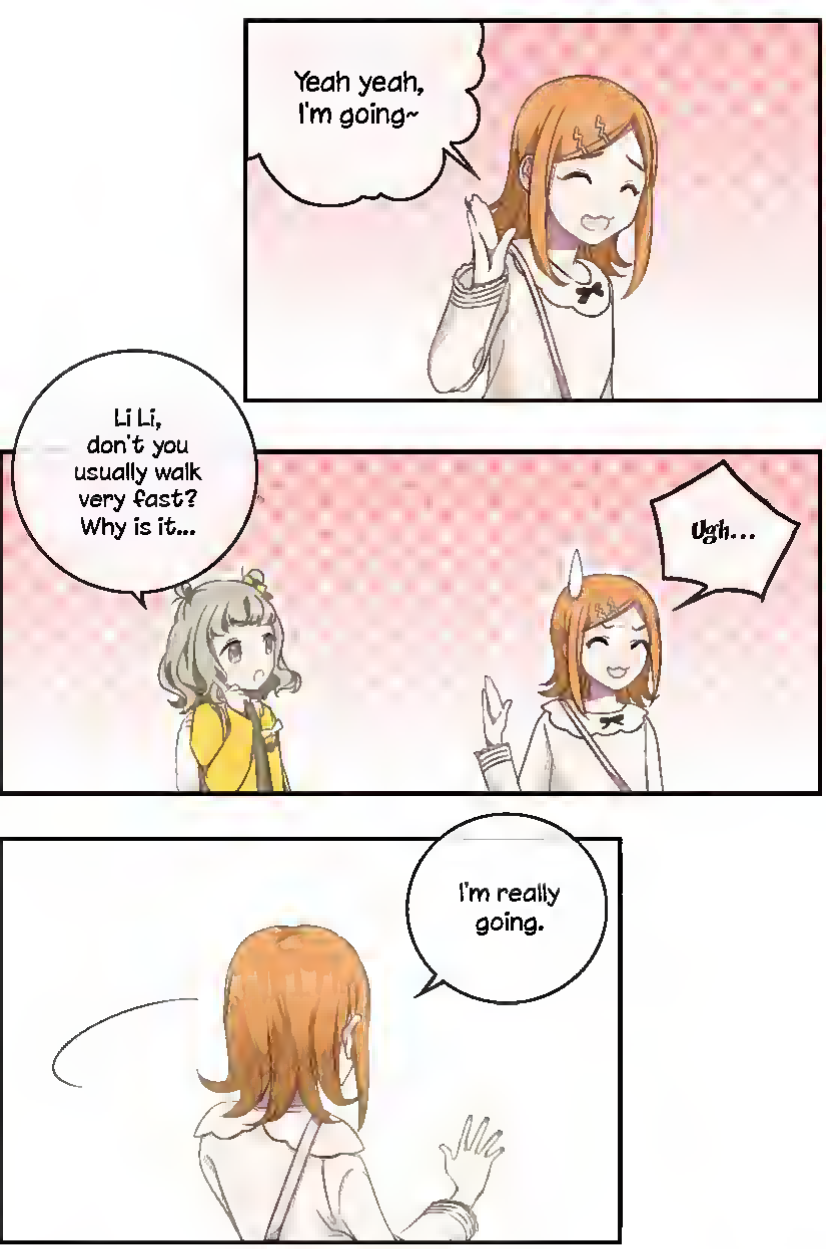


Didn't Li Huan go home already? Xiao Yun went to her part-time job too.



Then I'll just go to the canteen alone~
Take care~

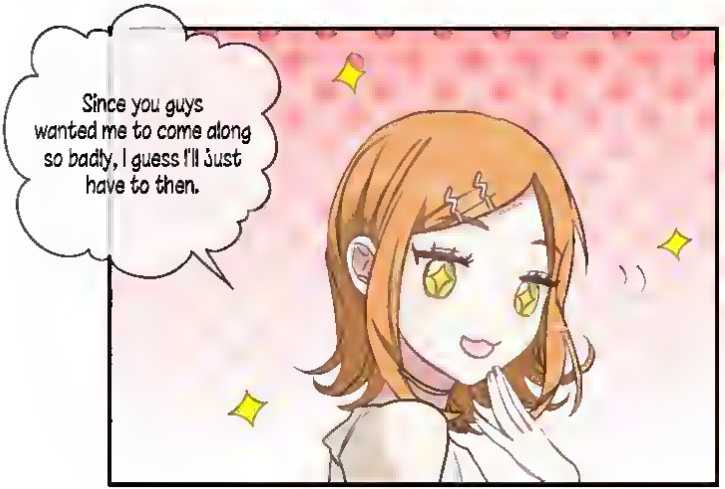
If she doesn't want to go, let's not force her,
The three of us will just go.



Yeah yeah, I'm going~
Li Li, don't you usually walk very fast? Why is it...
Ugh...
I'm really going.

大角虫漫画

Let's go together,
The more the merrier.



Since you guys wanted me to come along so badly, I guess I'll just have to then.

I didn't say that though.
Don't say it like that, the food tastes better when there's more people.
That's great, Li Li can come along.
Yeah.

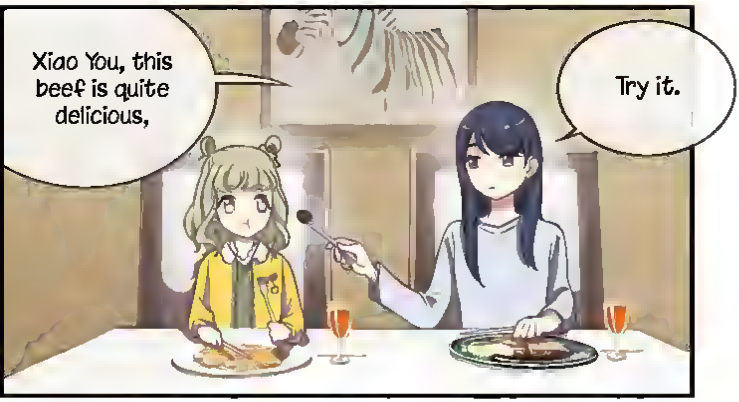
Noon 12:10



Xiao You, this beef is quite delicious,
Try it.

Okay.
Nn~it's very delicious!

大角虫漫画

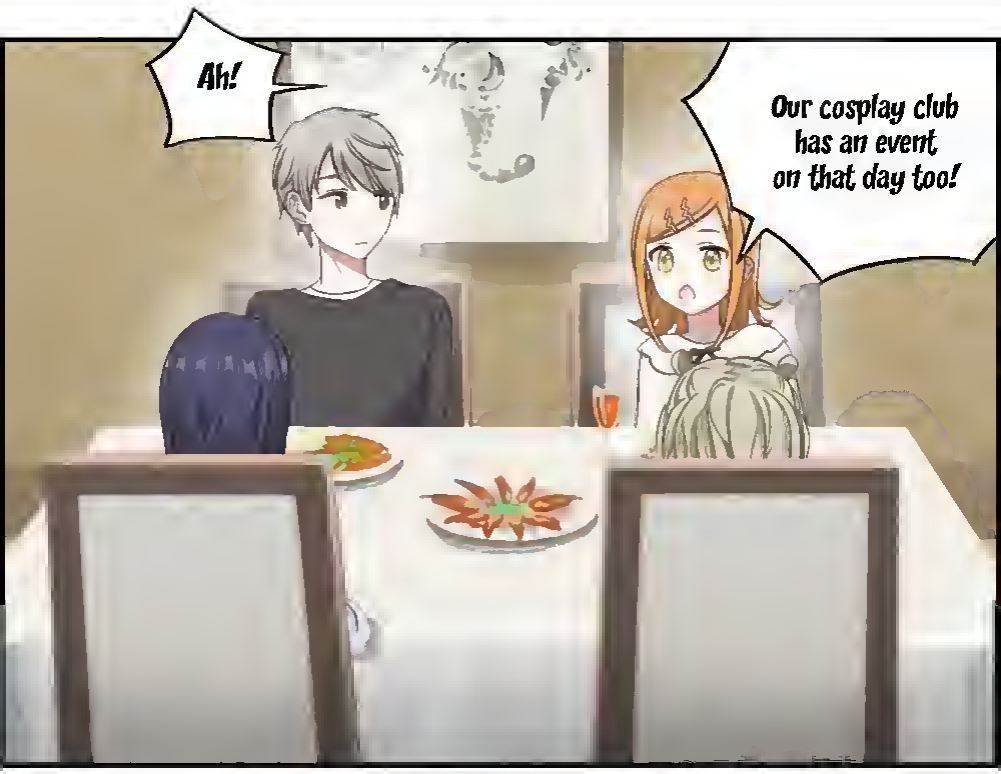
This potato's not bad too, try it.
Nn~
This is delicious too.
This salad is delicious too, I'll get some for you.
Xiao Ran, you should eat some, look how much I have on my plate.

Looks tasty,
Xiao Ran, give me some too~
It's right in front of you, don't you have hands?
.....
Oh right, Xiao Ran.
There will be a basketball match this Saturday at 2pm,
You wanna come and cheer me on?

大角虫漫画

Hm? You're in a basketball team?
The top player of the team can't play because he sprained his ankle,
So the counselor asked for my help.
.....
I'll go if I have nothing to do by then.

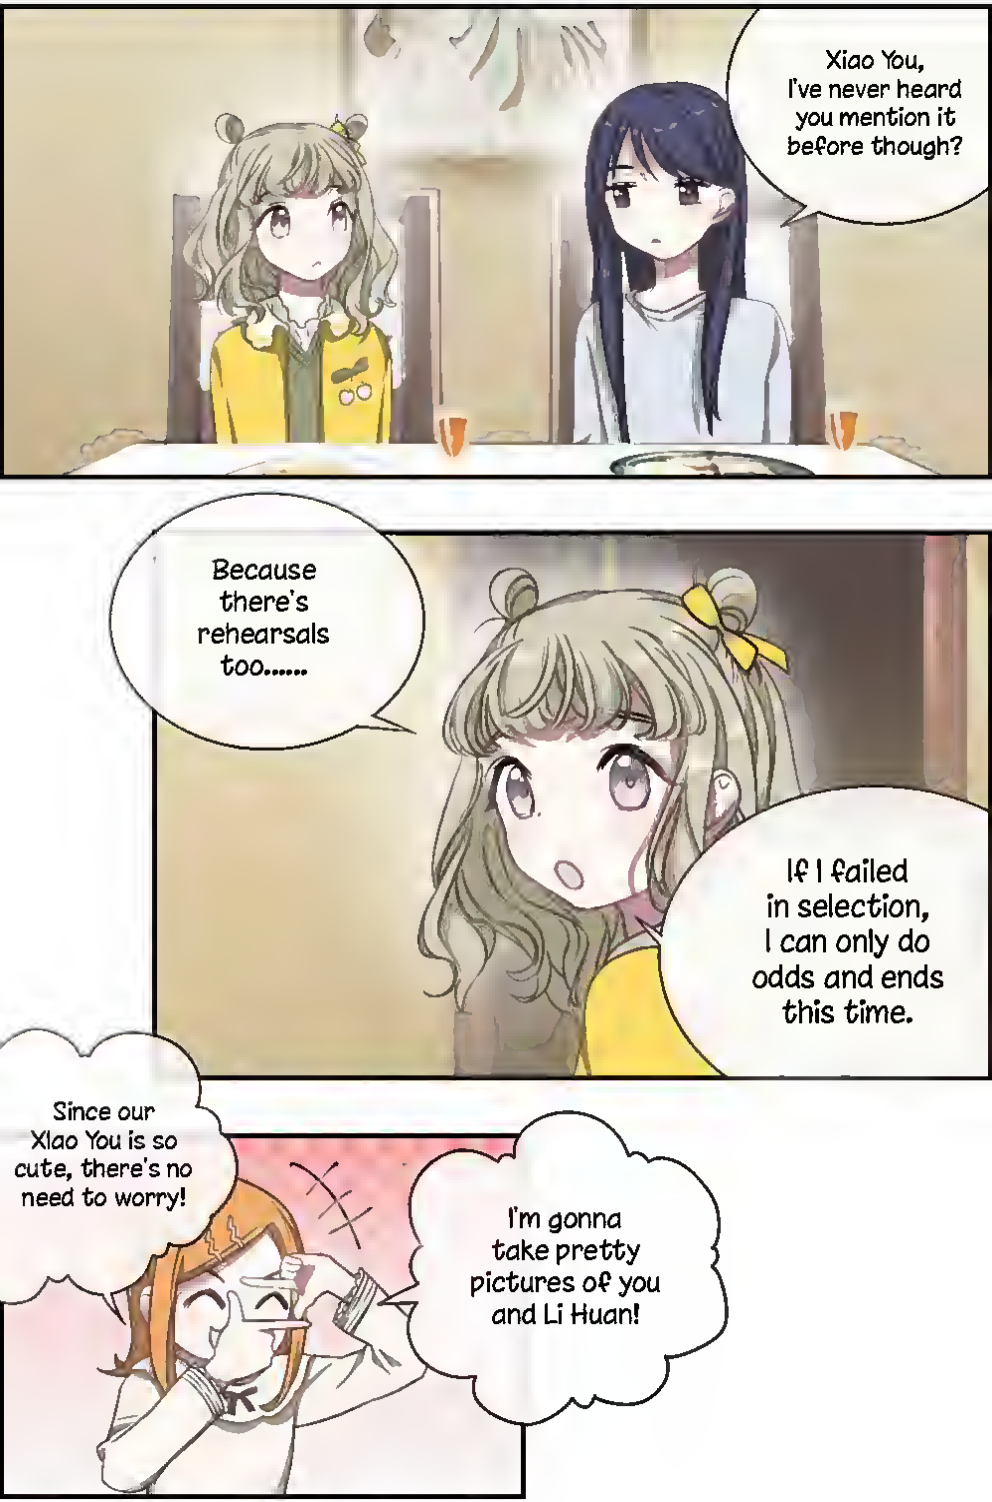
Okay then, I'll wait for your reply.



Ah!
Our cosplay club has an event on that day too!

大角虫漫画

I was asked by Li Huan to help take some pictures,
Otherwise I could've gone over there to cheer you on!
Oh right, my cosplay performance is around 2pm.



Xiao You, I've never heard you mention it before though?
Because there's rehearsals too.....
If I failed in selection, I can only do odds and ends this time.
Since our Xiao You is so cute, there's no need to worry!
I'm gonna take pretty pictures of you and Li Huan!

大角虫漫画

Then Xiao You won't be able to come to the basketball match,
The boys in our team who likes cute girls will be so disappointed~~
Sorry, Bei Tai,
I'll cheer you on next time~
But there's still Xiao Ran, so you'll surely be energetic.
You won't lose for sure!!

No,
I've decided that I want to watch Xiao You's performance instead.
